The core values of CYM's work are: demonstrating God's love; developing quality relationships; and pointing children and young people to Jesus. **AN EVENING WITH**  
**E GANGS**

Paul Dayes  
E-Gangs Director

**SATURDAY 28th JULY at 7.30pm**

E-Gangs is a London based exit gang prevention and intervention charity. It is part of Teen Challenge London. The E in E-Gangs stands for exit. It is a faith-based organisation founded on Biblical principles. However they are not faith biased and will work with anyone who requires or wants help. For many getting out of a gang lifestyle can be extremely dangerous. They have strong links with education, training and employment providers as well as a successful track-record with housing, which is key to safety. E-Gangs director Paul Dayes went through the Teen Challenge Programme in 2010 and expressed a desire to work with gang members. It represents Teen Challenge going back to its routes when David Wilkerson worked with the gang members in New York. Come along and hear powerful testimonies of men set free from a life of addiction and crime.
